

Feelings and emotions

Elementary level

Task 1: Warm-up

Look at the picture. Who is it? Does he have a good mood?

Task 2: Vocabulary presentation

Listen and repeat after your teacher. Then say the words in alphabetical order.

angry

scared

sad

surprised

hungry

tired

shy

funny

bored

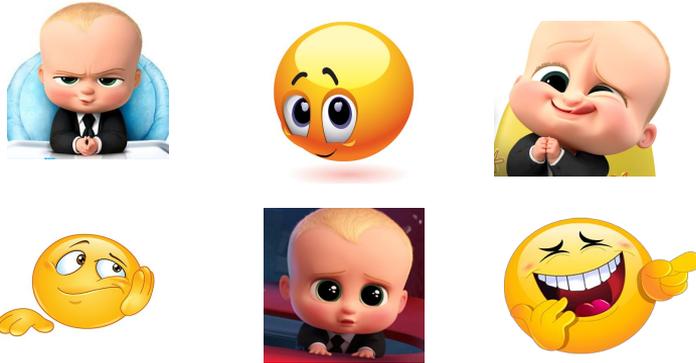

sleepy

Task 3: Vocabulary practice

Play bingo. Choose a card. Spin the wheel and read the word. Cross out the picture if you see the emotion in your card. If a player crosses out all the pictures in his/her card, he/she wins.

Card 1

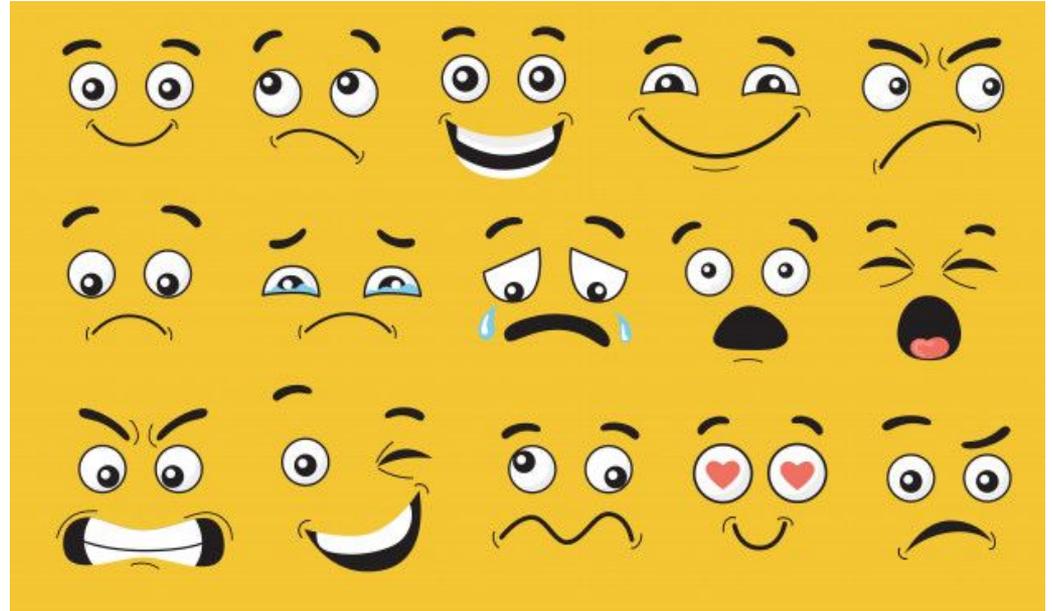

Card 2

Task 4: Watching a video

Watch the video and tick the feelings that are mentioned in it.

1. sad
2. tired
3. scared
4. hungry
5. happy
6. funny
7. angry
8. surprised
9. sleepy

Task 5: Watching a video

Watch the video again and answer the questions.

1. What does the monster do when he is happy?
2. What does he do when he is sad?
3. What does he do when he is angry?
4. What does he do when he is hungry?
5. What does he do when he is sleepy?

Task 6: Freer practice

Play True or False in pairs.

Student 1 says 3 sentences about his/her feelings, two of which are true and the other is false. Student 2 should guess which one is false. Words to use: *tired shy funny bored sleepy, angry, scared, sad, surprised, hungry.*

Example:

Student 1: *I feel very sad when I have a lot of homework. I feel happy when I get good grades. I feel angry when my sister does not share her toys.*

Student 2: *I think number 1 is false, because you like doing homework.*

Keys:
