Activity 7

Read the text and answer the questions about the text and about you.

Millions of people all over the world like travelling. People like a quiet holiday by the sea or in the mountains where they can sunbathe or walk. People travel by train, by plane, by ship or by car. All means of travelling have their advantages and disadvantages. And people choose one according to their plans and preferences. The fastest way of travelling is travelling by plane, but the most comfortable is travelling by ship and the cheapest is travelling on foot.

If we like travelling, we see and learn a lot of things that we can never see or learn at home.

Answer the questions about the text and about you.

1. How can people travel?
2. What is the fastest means of transport?
3. What is the most comfortable means of transport? Why?
4. What is your favourite means of transport? Why?

Activity 8

Look at the picture and name the transport you can see there and remember from the lesson. Answer the following questions:

How do your parents get to work?

What is your favorite means of transport?
