

Countries and nationalities (worksheet for kids)

Elementary level

Task 1: Warm-up

**Where are you from?
Did you visit other countries?
Watch a [short video](#) and guess
our topic.**

**Today we're going to travel
around the world together!
Here we go!**

Task 2. Different nationalities

Look at pictures. They show different countries. Match them with the names of countries and nationalities that live there.

Spain

Japan

French

Australia

France

Spanish

Australian

Japanese

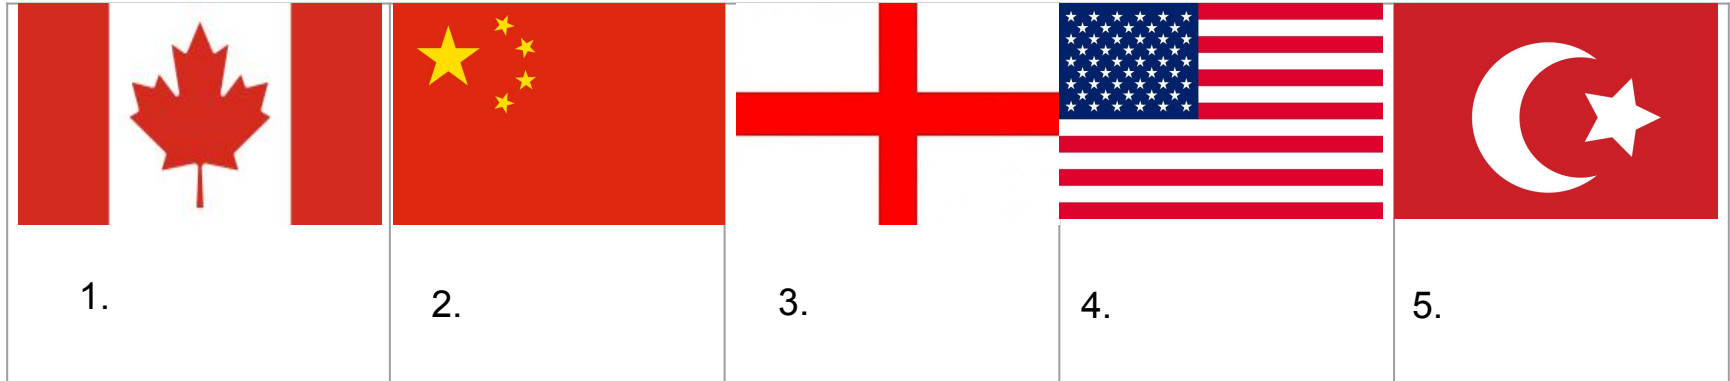

Task 3. More countries and nationalities

Let's listen to the [song!](#)

Match the flags of the countries with the nationalities that live there:

English, Turkish, Canadian, Chinese, American

Task 4. Guess the country/nationality.

Fill in the gaps:

1. People in J_____ (country) like sushi.
2. T_____ (nationality) people cook kebabs.
3. I love F_____ (nationality) food: burgers and French fries!
4. Paella is a rice dish cooked in S_____ (country).
People, who live there, like flamenco.
5. F_____ (nationality) people like croissants (круассаны).
6. Maple syrup is popular among C_____s (nationality).
7. C_____e (nationality) people like tea.

Paella

Task 5. Let's meet kids and teenagers from other countries!

Look at the four portraits and make sentences.

Example: This boy is from England. He speaks English and likes fish and chips.

			
USA, basketball, fast food	France, Eiffel Tower, croissants	Turkey, belly dance, barbeque	Chinese, panda, tea

Task 6. Play the game.

Flip the coin in turns and start your trip! Move if you have “heads”. What countries and nationalities do you see?

**START/
FINISH**
