Activity 1

Work in pairs. Write 10 adjectives in the column "Adjectives". You can write any adjectives you want.

Adjectives	Opposites
big	small

Work in pairs. Complete the second column with the opposites.

Activity 2

Imagine our world was upside down, so everything was the opposite. Make sentences using second conditionals. Use adjectives from Activity 1.

If big was small, an elephant would be a mouse.

Activity 3

Imagine an event you would like to have in your life. Describe it.

What? _____

When? _____

Where? _____

Activity 4

Ask your partner 5 questions about their event using “Would you...?”

Activity 5

Imagine your best friend in an imaginary world. Complete the chart:

Colour	City	Language	Animal	Food

Describe your friend using the chart.

If my friend were a colour, they would be

If my friend were a city, they would be

If my friend were a language, they would be

If my friend were an animal, they would be

If my friend were a type of food, they would be ...

Activity 6
