1. Is the singer sad because she is falling for another person?
2. Do you think they know each other well?

Simply falling (Iyeoka)

There goes my heart again
All of this time I thought we were pretending
Nothing looks the same when your eyes are open
Now you play these games to keep my heartbeat spinning
You show me love, you show me love
You show me everything my heart is capable of
You reshape me like butterfly origami-yeah
You have broken into my heart

This time I feel the blues have departed
Nothing can keep me away from this feeling
I know I simply falling for you

I'm take time to envision where your heart is
And justify why you're gone for the moment
I tumble sometimes, looking for sunshine
And you know this is right when you look into my eyes
You show me love, you show me love
You show me everything my heart is capable of
And now I can't break away from this fire that we started

You have broken into my heart

This time I feel the blues have departed
Nothing can keep me away from this feeling
I know I simply falling for you,

There my heart goes again
In your arms I fall deeper
And there's nothing to break me away from this
You have broken into my heart

This time I feel the blues have departed
Nothing can keep me away from this feeling
I know I simply falling
You have broken into my heart

This time I feel the blues have departed
Nothing can keep me away from this feeling
I know I simply falling for you

There my heart goes again
You have broken into my heart
Oh I'm falling deeper, I'm falling deeper

In The Shadows (The Rasmus)

No sleep until I am done with finding the answer

No sleep

Won't stop

I know that I am haunted to be wanted

Somehow

Sometimes

Won't stop before I find a cure for this cancer

I feel like going down and so disconnected

For tomorrows all my life

I've been waiting

I've been watching

In the shadows for my time

I've been living

I've been searching

In the shadows

But I

Somehow

They say

Sometimes

That I must learn to kill before I can feel safe

I just don't wanna stay and wait for a wonder

I'd rather kill myself than turn into their slave

I feel that I should go and play with the

thunder

For tomorrows all my life

I've been waiting

I've been watching

In the shadows for my time

I've been living

Feel me touch me heal me, come take me higher

Lately I been walking walking in circles, watching waiting for something

Counting stars (OneRepublic)

Lately I been, I been losing sleep
Dreaming about the things that we could be
But baby I been, I been prayin' hard
Said no more counting dollars
We'll be counting stars
Yeah, we'll be counting stars

I see this life
Like a swinging vine
Swing my heart across the line
In my faces flashing signs
Seek it out and ye shall find
The old, but I'm not that old
Young, but I'm not that bold
And I don't think the world is sold
I'm just doing what we're told

I, feel something so right
Doing the wrong thing
I, feel something so wrong
But doing the right thing
I could lie, could lie, could lie
Everything that kills me makes me feel alive

Lately I been, I been losing sleep
Dreaming 'bout the things that we could be
Baby I been, I been prayin' hard
Said no more counting dollars
We'll be counting stars

I feel the love
And I feel it burn
Down this river every turn
Hope is a four letter word
Make that money
Watch it burn
Old, but I'm not that old
Young, but I'm not that bold
And I don't think the world is sold
I'm just doing what we're told
I, feel something so wrong
But doing the right thing
I could lie, could lie, could lie
Everything that drowns me makes me wanna fly

Lately I been, I been losing sleep

Dreaming about the things that we could be
Baby I been, I been prayin' hard
Said no more counting dollars
We'll be counting stars

Take that money and watch it burn
Sink in the river the lessons I learned
Take that money and watch it burn
Sink in the river the lessons I learned
Take that money and watch it burn
Sink in the river the lessons I learned
Everything that kills me makes me feel alive

Lately I been, I been losing sleep
Dreaming 'bout the things that we could be
Baby I been, I been prayin' hard
