# Visual Literacy (a worksheet)

# **Activity 1**

#### Discuss in pairs.

- 1. How often do you take photos? What are they about?
- 2. How often do you look at photos of other people? What do you pay attention to?
- 3. Show the last photo you have taken. Why have you taken it?

# Activity 2

*Describe the photos in pairs. Complete the chart below to list people, objects, and activities in the photograph.* 

Photo	People	Objects	Activities
1.			
2.			
3.			
4.			
5.			

### **Activity 3**

Describe the photos in Activity 2 by answering these questions.

- a. What associations spring in your mind when you look at this photo?
- b. What connections can you find between you and the photo?
- c. Do you have positive or negative feelings when you look at this photo? Why?

### **Activity 4**

Look at the photos and for each of them discuss.

a. which stories they have behind b. how they were created c. what their message is

# Activity 5

Work in groups, write a story on the given photo. You need to add some details or delete some elements from the photo. Follow this plan for the story.

- Main heroes
- How and why it was created
- What happened before and after the moment the photo was taken

#### Homework

For the next lesson bring one of your family photos or any other photo which has impressed you. Describe the photo to your friends following the points in Activity 5.
