### **The Costume**

Sarah was excited about her fantastic costume as she set off to the party. Sarah had made it herself, because she wanted to look like her favourite book character. When Sarah arrived, all her friends were already there. Most of them were dressed as monsters or animals, so they were amazed when they saw Sarah!

But when she started to dance, her high-heeled shoes really hurt her feet, so she had to sit down. She was just thinking she should go home when she heard a voice, 'And the first prize for tonight's best costume goes to ... Sarah!' She had won a beautiful bracelet to wear!
